Horse Camp

Come and spend a week with our horses and learn some basic horsemanship. Chaparral offers a fantastic learning experience on all of the ins and outs of horse riding. Horse lovers will get a hands-on introduction to horses including grooming, horse psychology, and more. Each day of camp allows at least one hour of riding time. During the remaining time, campers will learn what it takes to be a horse owner. The responsibilities that these wonderful animals require is more than most assume. Our horses are very gentle and our instructors are focused on the safety of the group. Parents are invited to see progress on the last day of camp. Riding participants must weigh 230 pounds or less. Aftercare if available form 3:00-5:00 pm, for \$10 per hour. Please contact Chaparral Ranch directly at 408-726-8453 for more information or to register for aftercare.

Little Tennis & Rallyer Camps

Ages 4-6 years. Student-Instructor Ratio 5:1.

Specially designed tennis nets, racquets, and low bouncing balls are used to provide an enjoyable learning experience for younger players. Several short breaks are taken so that students can regain energy and cool down. Little Tennis students will learn to recognize, demonstrate, and successfully hit the forehand, backhand, and serve. They will learn parts of the racquet and court, improve coordination, and motor skills (I.E. balancing, overhand throwing, catching, shuffling, etc.). Little Rallyers will work to improve their full court abilities through a series of drills and games.

Junior Improvement / Match Play Camps

Ages 7-15 years. Student-Instructor Ratio 8:1.

Students are grouped by age and ability levels on the first day of class. Introductory students will learn and improve their forehand, backhand, volley, overhead, and serve through our unique "court rotation and activity system." Intermediate and Junior Team students will develop specialty shots and learn introductory singles and doubles strategy through live ball drills and match play. The instructor(s) will help players with scoring, rules, and match play.

PRO-SHOP / Snack Shop

Conveniently located next to the tennis courts, our Wilson Pro-Shop includes a retail solution with a wide selection of junior and high performance racquets for all age groups and abilities. In addition to our tennis essentials, our snack shop provides players with the basic refreshments, energy bars, and assorted snacks.
